Embracing the Summer with A Journey of Artistic Exploration

This summer, Macao once again embarks on an aesthetic journey that unites the creative forces of the world - Art Macao: Macao International Art Biennale 2023, a renown Broadway musical full of emotion and joy - "The Sound of Music" (10th to 22nd Aug), and a summer arts festival that brings together performances, family-friendly films and an arts carnival - "ARTmusing Summer 2023" (12th, 13th, 24th to 27th Aug). For those who are interested in cultural and historical experiences, the innovative art show at "Arraial na Ervanários 2023 & Every Weekend Markets" (1st Aug to 20th Sep) and the revamped "Lai Chi Vun - Plots X11-X15" in Coloane may just be the right place for you.

Summer holidays is the time to take your kids on a "power trip"! Jumptopia Macao's pop-up bouncy castle carnival "Little Gourmet Festival" (1st Aug to 3rd Sep) offers play zones for kids to burn off energy, while "Macao Eco Tour at Sea" offers an opportunity to learn about marine ecology and sailing skills. Last but not least, be sure to check out the "Mak" and Greet webpage before your trip to follow Mak Mak's footprints to visit events in Macao and enjoy the summer in full swing.

Art Macao: Macao International Art Biennale 2023

#InternationalArtFestival
#JourneyofAesthetics

This year's "Art Macao" spans from summer to autumn, featuring renowned curator Qiu Zhijie as the chief curator. With the theme "The Statistics of Fortune", it explores the interplay between science and faith through a total of 30 art exhibitions in eight sections spread across Macao to showcase modern and contemporary masterpieces from more than 20 countries and regions. In addition to the Main Exhibition, this month's artistic extravaganza also features two Public Art Exhibitions, four City Pavilions showcasing the artistic creativity of Vila Nova de Cerveira, Kyoto, Shenzhen, and London, as well as an Invitational Exhibition by Local Artists - Konstantin Bessmertny, Ung Vai Meng, Lampo Leong, Chan Hin Io, Bunny Lai Sut Weng and Eric Fok Hoi Seng.

The Special Exhibitions organised by the six integrated resorts and the Collateral Exhibitions organised by the local institutions take the public on a grand aesthetic journey, enhancing the cultural and artistic atmosphere of Macao as a famous World Heritage city. Stay tuned for further updates on the event.

Dance Drama, Poetic Dance: The Journey of a Legendary Landscape Painting

The performance takes the form of "poetic drama" and is divided into chapters such as "Scroll Unfolding, Seal Tracing, Silk Reeling, Minerals Exploring, Brush Making, Ink Grinding, and Painting Alive", allowing the audience to appreciate the performance from the angle of a modern researcher from the Palace Museum. The audience unfolds a scroll in multiple perspectives, wandering in the midst of legendary-like and charming traditional Chinese aesthetics.

Useful Information

Pay attention when travelling during typhoon season

Typhoons mainly affect Macao from May to November, and the Meteorological and Geophysical Bureau will issue various typhoon signals accordingly. When Typhoon Signal No. 8 or above is hoisted, all outdoor activities should be ceased. Public transportation, including buses, Macao Light Rapid Transit, shuttle buses of Hong Kong-Zhuhai-Macao Bridge and the Macao area of the Hengqin Port will all suspend. The three cross-sea bridges between Macao Peninsula and Taipa, as well as the Lotus Bridge will be closed, except for the lower deck of the Sai Van Bridge, which will remain open for light vehicles and authorised vehicles.

Tourists should pay close attention to changes in the weather, stay tuned for the latest news about typhoons and storm surges, or obtain the latest and practical emergency information through the "Macao Civil Protection Information" APP and "GeoGuide for emergency" APP in order to adjust their plans and keep safe.

Smart Application for Visitor Flows

The website-based "Smart Application for Visitor Flows" offers computer-generated estimates for foot traffic at main tourist attractions around Macao, namely for the immediately-following four hours, the following 24 hours and the following seven days. Forecasts are presented according to different levels of congestion in relation to numbers of tourists, ranging from "comfortable", "moderate", or "lightly congested", to "congested" or "heavily congested". The goal of the app is to allow visitors and industry operators to better plan an exploration of Macao, and improve the overall experience of such a visit. The system currently monitors over 100 popular local tourist attractions, including a number of attractions in the UNESCO-listed Historic Centre of Macao, as well as sites in Taipa and Coloane.
